

## BISBEE LODGING TOUR

The Bisbee Lodging Tour is more fun than may be strictly legal. Just think of it! More than ten historic lodging facilities open their doors and rooms for your inspection for a full two days. Walk through haunted hallways and peak into rooms once occupied by presidents, miners and movie stars. Go where Pres. Teddy Roosevelt stayed and John Wayne; see where Lee Marvin got kicked out and John Wayne—wasn't the Duke's fault though; the bartender was drunk. Every room and every lobby exudes history and elegance. Bisbee's Hotels and Bed and Breakfast Inns range across the spectrum.

- A School House where rooms have been themed with antiques to be the Art Room, Geography Room and the Principal's Office.
- Upstairs on Main Street with the best of everything from pillow-top mattresses to tile counters and antiques in every room.
- Rooms themed as the Captain's Cabin and the Western Room where a covered wagon is the bed.
- The old YMCA where suites feature the best views in town and internal lofts.
- A miner's boardinghouse with period furnishings
- A mine owner's mansion with gardens and sunken tub
- Cabins in the gardens at the top of Bisbee
- And much more.
