

# Larry Milam

## Illustrator / Designer

Working from Sun Studio in the hills of Old Bisbee, Larry creates artwork for clients locally and all over the country.

He has 20 years experience as a freelance graphic artist doing national work for advertising, company logos & cards, packaging, billboards, posters, magazines, books, shirts and websites.

While living in Portland OR, Larry taught illustration at the Pacific NW College of Art. His illustrations are carved by hand on scratchboard & colored digitally, and he is represented nationally by Christine Prapas.
